

Attack of the Bunnies

The bunnies — two varieties of them — were on the offensive.

Bunny White and Bunny Black, a pair of local ringette teams, posted a combined 5-0-1 record at the Quesnel Goldpan tournament on the weekend. Playing games against Quesnel teams, Bunny White skated to 11-2, 5-4 and 7-5 wins while Bunny Black earned a 6-2 victory, a 6-6 tie and a 7-1 win. The players on the teams range from 5-7 in age.

"All the kids played great," said manager Cara Lazar. "They were strong and determined. We are very proud of the great attitudes they showed."
