

2007 Chicks on Ice Tournament - Mission

The “2007 Chicks on Ice Tournament” was held in Mission from March 23-25. Teams from around the province and Alberta played ringette at the Masters’ Level in two divisions.

Two Prince George players had the opportunity to play ringette with the Nanaimo Shooting Stars in the Division 1. Jocelyn Buhler and Nycole Ross made the trip to Mission to play with the Shooting Stars and enjoyed a very successful weekend, winning the division by defeating the North West Vancouver Crease Lightning 10-3 in the final game. The Shooting Stars began their journey to the finals by winning their first three games. Friday night, the team won 7-4 against Okanagan Vantage. Saturday with three games to play, the team won 7-5 against Richmond Ice Agers, and 7-6 against Abbotsford Chicks. The Shooting Stars, playing their third game of the day against NWV Crease Lightning, ran out of steam in the second period and lost 10-9 in their final round robin games.

Jocelyn played defense and forward and helped the team with her scoring agility while Nycole was between the pipes for the team for all the games. It was an exciting weekend for the two Prince George players as it was their first time playing ringette at that level while participating at this tournament.

Saturday night’s fundraising event “A Night to Remember”, in support of the Melanoma Research at UBC, and in loving memory of their teammate and friend Diane Andersen, was well attended and everyone rekindled their friendship with many other ringette friends. The DJ was exceptional and the fun games made the evening a night to remember....

The organizing committee did an awesome job again this year, providing the players with special gifts and going the extra to make the tournament the best event of the year for the masters.
