Designed for girls

"Hey, come back here," Theresa LePage, 17, appears to be saying as she tries to stick check Terri Emberson, 13, during a ringette clinic Sunday. Ringette is the girls' answer to hockey, with emphasis on skating, passing and team discipline. Body contact isn't allowed. Emberson travels from Vanderhoof, since the game isn't organized there yet. For more information contact Bev Zorn at 963-9883, Don Janzen at 563-8902, or Nonie Sutherland at 563-7011.
