Prince George Ringette Association

Board of Officers and Directors

Reports from Board Officers

President's Report – Gina Layte Liston

The Prince George Ringette Association is a resilient organization of which I have been a proud member for eight seasons, a number of those on the Board. What makes it resilient is even after two (2) full seasons of COVID, we are here today doing what is best for the players and the organization.

There were a number of hard decisions that had to be made this year by the Board, Team Staff and families because of COVID-19 and the catastrophic flooding in the south and I appreciate the ability and resiliency of all of the members to determine ways to meet the Provincial health order guidelines, road closures, and still allow the players to play.

The Zone 8 program which includes the Quesnel Ringette Association and the Prince George Ringette Association had two teams participate- U14 and U16, both having the opportunity to play in the 2022 Provincials in Coquitlam.

Thanks to the hard work of Darian Campbell, the PGRA ran a pilot FLEX program for adult recreation players. There were thirty-two (32) players who registered and played once a week throughout the season.

I want to thank the Board for their time and energy in providing direction throughout the season, to the Team Staff (Coaches, Team Managers and Ambassadors) who dedicate their hearts to our players, who take the time to get trained and come out each week so our players can develop and grow, and to the families and many other volunteers who assist in making this organization one I am proud to be part of.

Vice-President's Report – Natsuko Komine Cronje

CRC

- 9 new CRCs this season.
- Every PGRA volunteer is now up to date.

Society filing

- Annual report filed in June 2021.

Committees

- Northern League rep: attended monthly meetings.
- Member of Player Movement Committee
- Member of Head Coach Selection and Team Formation Committee

Gym Ringette

- Continued at NSC this season; to augment ice times and improve team fitness. Unable to continue beyond December 2021 due to facility (SD57) closure.
- Great feedback from players/coaches/parents, particularly in the younger divisions. A different way of enjoying and learning about ringette, without the skating ability gaps.
- Would like to continue with the gym ringette/dryland next season.

Evaluations

- Zone evaluation coordinator: Assisted Zone Coordinator with Zone 8 evaluations; coordinating evaluators, liaising with Zone coaches and providing assistance as outlined in the Zone Operations Manual
- Assisting in PGRA Evaluations.
- Assist with BC Winter Games evaluations

Team Photos

- AAA this year
- Great Covid-19 protocol in place.
- Good feedback from coaches/some parents at time of shoot.
- Delays in receiving orders due to road closures.

Other roles

- Assist ice scheduling
- Assist Come Try Ringette/Come Try Gym Ringette events
- Contribute to creation/update of association documents
- Assist with 2021 PGRA Stay and Play weekend

Equipment

- Acquisition: new sticks for new players, some goalie pads.
- Timbits jerseys for Funs and U10. Some excess jerseys in storage.
- New Gym ringette set: gifted by Ringette Canada awaiting delivery.
- More pinnies and cones ordered.
- 1 x shooter tutor. Hoping to find more for next year.
- Coaching Boards
- First aid kits were updated at the start of season by Gina.
- Awaiting return of equipment from the season.
- Fantastic management of equipment by coaches and managers; looked after well. Thank you!

Thank you to the amazing, hardworking, dedicated members of the PGRA Board and all the Volunteers that made this season possible!! Check out Appendix B for a few profiles of our PGRA volunteers.

Skating Enhancement: Thank you to this year's **power skating instructors James Pattie and Bree Pruden**. Power skating is as always, a proven benefit to our players and coaches, giving the players improved skating skills and a jumpstart to conditioning for our season. The coaches who participated gained coaching development through skating skills instruction taught by professional power skating instructors.

Divisions:

FUN 1: The future of Ringette! This age division was led by Brittany!

FUN 2: The Future of Ringette! There is a continued plan to assist FUNs to transition into U10 and U10 to transition in U12 form Ringette BC, details are posted on Ringette BC website.

U10: one team.

U12: two teams and have an option to participate in the Northern Competition Introduction Program (AKA U12 Development). This season with tournament restrictions due to covid the program was unable to provide its full experience.

U14: one house and one zone team. Players had the opportunity to participate in the virtual training to excel program

<https://www.ringettebc.ca/athletes/u14-train-to-excel-virtual-training-program/>

U14 House were the GOLD MEDAL, PROVINCIAL CHAMPIONS FOR 2022! Two players from our U14 Zone team were invited to join Kelowna to participate in Westerns this year!

Congratulations!

U16: one house and one zone team. Players from U16, U19 and 18+ had the opportunity to participate in the virtual excellence program

<https://www.ringettebc.ca/athletes/excellence-ringette-program/excellence-ringette-program-coaches/> four of our own U16 Zone players who participated in Excellence, also played on

Team BC this season! A huge accomplishment and Congratulations to those Players and their hard work and dedication.

U19: one team

18+: only a few players so they moved to Flex

Flex: two teams and the first season of it in PG!

Coaching Courses/Resources: Many Virtual courses were continued this season. CSI and CI as well as many other coach development opportunities through Ringette BC, Engage Sport, Via Sport and the National Coaching Course Program (NCCP. We will continue to search for Coach development opportunities as well as focus on coach recruitment, retainment, and certification. Junior Coaching, Coach mentors and mentees will be a continued effort to improve our program here in PG. Thank you, Bree, for coordinating Children's Ringette this season.

Goalie clinics: Thank you to Colleen, Moorhouse, Lisa Matzelli, Chris Month and especially to our junior goalie coach Arwyn Frazer for helping with our younger goalies. We enjoyed the space at the Northern Sport center for our off- ice portion of our goalie clinic.

Staff/Coach Evaluations: The surveys for Children's Ringette were sent out by PGRA, evaluations for U12 and older will be sent out by Ringette BC.

Dryland: Scheduling consistent dryland at the Northern Sport Center was great for team bonding, learning Ringette rules and strategies as well as of course fitness opportunities and gym Ringette! The feedback was to hopefully continue this next season.

First Aid: we provided an exclusive to Ringette 1st aid course for 12 team staff members.

Player Mentor Program: we did have several players attend practices and junior coach younger teams, helping with ringette skills development and as player role models. A player giving back their knowledge is such a good **thing!** We hope to encourage this more often by setting up a team buddy program as well.

Emergency Action Plan: A very detailed EAP is mandatory for every practice, scrimmage, game, team event and Tournament. Including the host teams plan for our Referees. Every team was provided a base Emergency Action plan from PGRA for them tailor to their team and it was also posted on our website.

The BIG CHALLENGE... RINGETTE was invented right here in Canada! Challenge All members to share our sport with others, to spark interest within our schools to bring back Gym Ringette (book and borrow our associations gym ringette gear), to bring back our just for fun Ringette programs and to spark interest in other nearby cities to start associations!

**This Season: Thank you to BREE for running the Power to Play (parent and tot) program!!!
Yay the future of Ringette in PG is looking bright!**

The Coaches are very appreciative of the volunteers who assisted on and off ice and especially thanks to the managers/ambassadors who are truly the backbone and a huge measure of the success of the team.

THANKS TO ALL OF OUR VOLUNTEERS WHO TAKE AN ACTIVE ROLE AND
SHARE THE JOY OF OUR PLAYERS AND OUR SPORT!

Thank You, Thank You, Thank You, Thank You, Thank You, Thank You, Thank You ALL!!

Sponsorship Director- Nichole Wareham

This year was an unprecedented difficult year for youth sport, but we played more and got more gameplay than last year. And as always as parents and volunteers we did all we could to help keep it going and as normal as we could for the kids. I feel that PGRA parents and volunteers did an amazing job all season long. Not only did the season progress and persevere but so did our sponsors.

In the beginning of the season Tim Hortons Timbits jerseys were donated for all the younger age groups from Tim Hortons Corporate. The sponsors stepped up for us by donating a total of \$6100 throughout the season plus multiple donations.

The following is the list of our 2021/2022 sponsors.

Tim Hortons

First Truck

PPWC (Public and Private Workers of Canada)

Andrew Kemp Law and Mediation

BC Northern Real Estate Board

Folklore

Stinger Welding

Canadian Tire

Subaru

Canasteel

Guillevin International

I want to thank all of our sponsors as well as all the volunteers and board members who helped make this season a success.

Sincerely Nichole Wareham

Director- Tournament Coordinator– Jennifer Erickson

Due to the Covid Pandemic PGRA was unable to host the 30th JOY HOFFMAN Memorial Tournament this year. Instead, PGRA decided to hold a mini 3 on 3 tournament for U12 and up and a weekend of play for the lower age groups Nov 12-14th at the Kin Centers. The Covid protocols from the City of Prince George, Ringette BC and the PG Ringette Association were implemented and followed. During this weekend new health rules had been applied from Northern Health and the weekend was limited to players that were part of PGRA or played on teams with PGRA players consistently.

Appendix B: Meet a PGRA Volunteer 2021 - 2022

Gina Layte Liston

Gina, aka Professor McGonagall (for her wizardry in unmatched diplomacy, admin and organisational skills), is the mother of a U14 player and President of the PGRA. She has been an integral part of the PGRA BoD for a number of years and volunteers much of her time in many capacities on Boards in and around Prince George. Making a positive difference to the lives of the PGRA membership brings joy and sense of satisfaction to Gina in her role.

One of her missions this season is to see increased membership for the U10 and younger divisions. She enjoys going on long walks with friends along with her handsome dog "Rocket". When not in meetings or typing emails at 500 words a minute (in size 4 font), Gina is relaxing at her lake house Lac la Hache.

Thank you for all that you do for PG ringette Gina!!

Keith Sullivan

Keith has worn many hats, including PGRA President, PGRA Vice President, PGRA Director of Coaching, PGRA Director of Officials, Northern League Presidents as well as being a coach and an official for over 3 decades! His time at PGRA began way back when his child strapped on their goalie pads many moons ago.

This past season, Keith coached the U19 club team as well as the Zone 8 U14 team. His greatest joy in being part of PG Ringette is meeting all the amazing people and working with the fantastic athletes.

When he is not hustling out on the ice, you will find Keith hunting, fishing and camping. His message to you:

"Enjoy your time with the kids and in the sport; it will go by quickly!"

Thank you for all that you do for PG ringette

Keith!!

Jana Campbell

Jana, aka Mary Poppins (because of the sheer volume and variety of goodies that appears out of her bottomless bag), is found coaching/looking/listening/chatting/playing/helping/organizing/teaching in all areas of PGRA, with all age groups, all the time. Jana basically lives at the arenas.

“My neighbour played Ringette and I wanted to try it, so 35 years ago I started as a player then taught skating lessons for the City in the late 1990's . I started by teaching power skating for PGRA and coaching my niece in 1999 and have been around ever since coaching or volunteering.”

Jana is taking part in the PGRA Flex program this year and enjoys gardening, growing food or plants, fishing, camping, boating and outdoor family/friend adventures. Jana would like to see more recruitment and development of coaches, junior coaches and officials, increased opportunity for competitive play and player development for all ages as well as increasing the profile of ringette in the community by a way of drop in ringette at outdoor community rinks as well as organised events such as tournaments and game weekends.

What's important to me?

Putting players first, why most people play is because of friendships, fitness or competition, however it is important to get to know your players and ask them why they play and what their goals are. It is the Players who are the driving force for us all.... to provide a Ringette experience that includes athletic growth, Ringette specific skills development, physical strength, mental health and life skills throughout their Ringette journey. The coaches, referees, managers, trainers, ambassadors, board members, parents, spectators and our community all have important and valuable roles to make the association the best it can be.

Thank you for all that you do for PG ringette Jana!!
