# RINGETTE BC PROVINCIAL CHAMPIONSHIPS TECHNICAL PACKAGE

The purpose of the Ringette BC Technical Package is to govern play at the BC Provincial Ringette Championships for the Club and Zone divisions. The Technical Package applies only to the Provincial Championship Events.

The Ringette BC Provincial Championships are a True Sport event and all teams, coaches, spectators, volunteers, and any other personnel are expected to demonstrate the True Sport Principles throughout the event and adhere to the applicable Ringette BC Codes of Conduct.

The Ringette BC Provincial Championships run in accordance with rules and regulations as set out by Ringette Canada and all applicable Ringette BC Policies, unless otherwise noted in this Technical Package. This package provides details to assist teams interested in and competing in the Ringette BC Provincial Championships. The package summarizes sections of Ringette BC Policy and, while every effort has been made to ensure that the information in this package is up to date in all aspects, the current version of the Ringette BC Policy Manual takes precedent over what is in this package.

## 5. OVERTIME AND SHOOT-OUT

- 5.1. All semi-final and final games must have a declared winner. If a game is tied at the end of regulation time, one full length, sudden victory overtime period will commence, followed by a shoot-out if no winner is declared during the overtime period.
- 5.2. Rules for overtime period
  - a. A coin toss will determine which team is awarded possession of the ring, and which end each team will defend to begin the overtime period.
  - b. The home team will call the coin toss. The winner of the coin toss will be awarded possession of the ring, the other team will indicate which end they choose to defend.
  - c. There will be a one (1) minute break between the end of regulation time and the beginning of the overtime period.
  - d. The game will end when a goal is scored.
  - e. Each team is entitled to one additional time-out in the overtime period.
  - f. If a team does not use their time-out in regulation time, that time-out carries forward into overtime.
  - g. No more than one time-out shall be permitted during the same stoppage in play.
  - h. Any penalties still running at the end of regulation time will carry over to overtime.

- i. For the purposes of participant ejection penalties, games entering overtime are a continuation of the same game. The participant remains ejected.

### 5.3. Rules for Shoot Out

- a. There will be a two (2) minute break between the ending of the overtime period and the beginning of the shoot-out.
- b. Coaches will select five shooters from all players listed on their game sheet. Coaches will record these five shooters on the form provided by the official. Ejected or suspended players are not eligible to participate in the shootout. Players serving a penalty at the end of the overtime period will be eligible for the shoot-out.
- c. The home team will shoot first.
- d. The goaltenders will remain in the same ends in which they played the overtime period.
- e. The five players from each team will alternate shots until each shooter has shot, with the winner declared as the best of five shooters. Goalies will stay in the net where they ended overtime. At any time that it is determined that one team can no longer statistically win the shootout, the shoot-out ends.
- f. If the teams remained tied after all five shooters have shot, a sudden victory shootout will occur where any eligible player may be chosen to shoot, and teams will alternate shooters until a winner is declared. Both teams shoot once in each round of the sudden victory shootout. If the shooter from both teams scores in a single sudden victory round, another round begins. If one team scores and another does not, the team who scored is declared the winner.

The tied teams **MUST** have played each other, or the procedure starts with Step 5 unless one of the tied teams have beaten all other tied teams in which case that team is ranked highest, and the procedure reverts in order to break the tie within the remaining ranking positions.
  - Step 2: If still tied, the teams will be ranked in order of the largest (positive) net difference between Goals FOR minus Goals AGAINST in the games between the tied teams.
  - Step 3: If still tied, the team(s) will be ranked in order of the most Goals FOR in games between the tied teams.

- Step 4: If still tied, the teams will be ranked using the following formula in games between the tied teams:  
*Goals For + Goals Against / Goals Against*
- Step 5: If still tied, the teams will be ranked in order of the largest (positive) net difference between Goals FOR minus Goals AGAINST in games against all teams.
- Step 6: If still tied, the tied teams will be ranked in order of the least total Goals AGAINST in games against all teams.
- Step 7: If still tied, the teams will be ranked in order by applying the formula in Step 4 to all games.
- Step 8: If still tied, the team having the fewest penalty minutes in games between the tied teams will be declared the highest position.
- Step 9: If still tied, the team having the fewest penalty minutes in all round robin games, will be declared the highest position.
- Step 10: If still tied, a coin toss or random draw will be used to break the tie.
